

AI-Driven Fraud, Waste & Abuse Delivers Return.

Significant Potential for Return on Investment (ROI) Awaits You.

Codoxo works with several health plans and agencies across the country to demonstrate a significant ROI using our proprietary Forensic AI engine to address fraud, waste, and abuse.

Our unique ability to create a unified view across all claim types, including medical and pharmacy, helps drive enhanced outcomes.

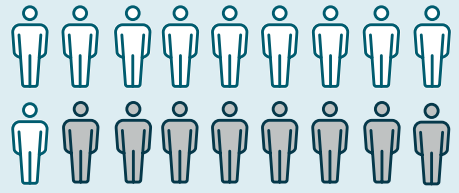

On Average:

Within the first **8 WEEKS** of using the Codoxo platform

Existing staff at our customers identify over **60 PROVIDERS**

And over **\$8M** of previously unknown risk exposure is validated

...of which, over half typically have no prior investigations

...Resulting in an average **15:1 ROI**

Projecting.

1 year estimated savings **\$8M+**

2 year estimated savings **\$16M+**

And the savings go on...

Our ROI Analysis Consisted of:

Actual \$\$ Recovery

Cost Avoidance (future)

Staffing Efficiencies

Bottom line?
